

I reject the The National Association of Broadcasters NAB's petition 04-160 and support XM's ability to provide me the kind of programming that I demand and deserve. I pay for this service and it should not be up to the National Association of Broadcasters to dictate what I'm permitted to hear and being and over the road truck driver I need XM Instant Traffic & Weather before I get into major city that they offer it in before I get there.
Respectfully, Charles D. SChladenhauffen
